Il presente attestato/diploma non ha il valore legale dei titoli di studio rilasciati dalle scuole italiane statali, pareggiate o legalmente riconosciute.

SURVIVAL	1	Can say and write letters and numbers, make introductions with basic greetings, complete simple forms with personal details, and ask basic questions. Can describe things and use personal and possessive pronouns.
	2	Can order a meal in a restaurant and on the phone. Can use vocabulary for colors, modes of transportation, weather descriptions, time, date, and age. Can talk about what you and others can and cannot do. Can tell someone to do something.
WAYSTAGE	3	Can use vocabulary related to common names of shops, household pets, and rooms in a house. Can follow simple written and spoken directions and answer yes/no questions. Can talk about things one has/needs to do, and about when things take place and where things are.
	4	Can use vocabulary related to more common types of transportation. Can ask and answer questions on familiar topics and talk simply about things happened in the past and tell about daily routines. Can describe cause and effect and sequences of events.
	5	Can express likes and dislikes. Can understand and respond to short emails and online postings. Can conduct simple transactions in shops and banks, and present short, rehearsed statements to an audience. Can express polite offers, preferences, and requests.
UPPERWAYSTAGE	6	Can use vocabulary related to names of school subjects and classroom objects, as well as words related to travel situations and getting around a city. Can express own opinions, feelings, and intentions, make requests, offer information, and make plans.
	7	Can tell a simple story and pick out key points in short texts. Can describe people's appearance and personality, work and education experiences; distinguish between things happening in the present and the past; between things that happen regularly and happening now.
	8	Can attend an interview. Can give a presentation and respond to follow-up questions. Can describe pastimes and past activities, habits and routines, symptoms and illnesses; express adequacy, possibility, ability, and the likelihood of future events.
	9	Can describe past events and travel experiences. Can actively participate in conversations and follow changes in topics and write letters to make and respond to invitations and. Can describe past personal experiences and make comparisons about ability and make contrasts.
THRESHOLD	10	Can write formal and informal emails and letters; express frequency, describe past routines and habits that no longer happen; ask for, give, and refuse permission and express prohibition, obligation, or necessity. Can report things that others have said.
	11	Can follow TV programs, describe movies, book plots, and events. Can write standard factual reports, application letters, and descriptions of events; make predictions and express certainty about the future. Talk about past events happened when something else was happening.
	12	Can take messages, explain work-related and general problems, express complaints, and offer opinions for solutions. Write essays on familiar topics. Can express likelihood and agreement /disagreement. Can talk about possible results of hypothetical situations and give advice.
	13	Can describe an unknown word or find meaning in unknown words from words around it. Can talk about things that affect a current situation and about situations that are changing as one speaks. Can master reply questions to continue conversations and use counter-arguments.
MILESTONE	14	Can express news and views effectively in conversations/writing. Construct and defend an argument. Can show the relationship between the main point and supporting details in a text. Talk about past intentions that never happened and expected future events formally.
	15	Can use language related to medicines, physical movement, diet, and nutrition. Can recognize a speaker's point of view in a presentation and lead a discussion. Can identify fact from opinion in structured text and use idiomatic phrases and a range of language in formal documents.
	16	Can embellish stories to add interest and give clear presentations with key points and supporting arguments. Can use a range of language in detailed job applications and a hypothetical past outcome to support a hypothetical present outcome. Can understand cause and effect in informal conversations.
	17	Can use complex sentence structures fluently and appropriate language to write a polite letter of complaint. Can express sympathy using informal language. Can talk about past events without referring to the subject and about changing past events to give background to a story.
MASTERY	18	Can recognize irony. Can quickly scan long, complex texts to find meaning. Can use approximation and expressive reactions to express indifference, enthusiasm.
	19	Can use persuasion techniques to defend your point of view. Can use language flexibly and effectively in social situations for joke telling or to be allusive. Recognize a joke. Can recognize and use colloquial language and a wide range of idiomatic expressions.
	20	Can understand complex technical information and instructions; read, analyze, discuss, and give complex reports and presentations. Can use complex structures to express likelihood and obligation, and to make suggestions; give detailed descriptions and make complex comparisons. Can structure formal speech and writing.
